DAY IN DAVENPORT

place," was filed by F. L. Rust against the one to the front door and kept and revoked. You will also deliver to tife." He charges her with attending still in possession of it. dances and refusing to live with him.

A decree of divorce was granted by Judge Donegan in district court Saturday afternoon to Lena Phillips against her husband, Leland Phillips, Cruel and inhuman treatment was the allegation. They were married in August, 1887. Carroll Brothers were attorneys for Mrs. Phillips. The defendant failed to appear to contest the case.

Joins Harrison Realty Company .- A change in Davenport real estate cirncles occurred the last week when T. A. Patton, formerly foreman in one of the Rock Island arsenal shops, became a member of the Harrison Real Estate company. The growth of the business made it impossible for C. Emory Harrison to take care of the work alone, and Mr. Patton entered the firm. He resides at 2010 Tremont avenue. He was heretofore foreman in the small arms plant of the arsenal.

Are Licensed to Wed .- A marriage license was issued Saturday to John M. Schultz, Salem, Ill., and Anna F. Baumeier, Davenport.

Locomotive Works Reduces Its Force.-in the neighborhood of 50 workmen were laid off at the Davenport Locomotive works Saturday. The reason given for this action is the lull ain business which generally comes at othis time of the year. One of the of-" floers of the company stated that as a a considerable portion of the work of the company is done for contractors. and the contracting season is about to close, business in the fall is generally "quie". Last year was an exception to the rule. All departments of the factory were affected by the change. It 'is said that most of the men may be taken back in a short time. The local factory of the Corn Products Manufacturing company is now running full bins: and employing a large number of men. The fact that this plant but recently resumed operations, provides

This New Illustrated Book For Every Reader

Old Before Your Time

WOMAN'S delicate system requires more than ordinary care and attention - more care and attention than it is given by the average woman.

Neglect it and ills soon creep in, and the look of old age, sometimes quickly, sometimes gradually follows.

That backache, so common among women, brings with it the sunken chest, the headache, tired muscles, crow's feet, and soon the youthful body is no more youthful in appearance—and all because of lack of attention, over 40 years as a remedy for ailments peculiar to women. We have thou
